

Will For Free

Are you aged 60 or over? Have the peace of mind of having a well drawn up and properly executed Will.

Make your Will for free and help save lives with The Institute of Cancer Research's 'Will for Free' scheme. This scheme is run until further notice and so please check that it is still available when you call to make an appointment.

The Institute of Cancer Research has teamed up with solicitors' firms to create our 'Will for Free' scheme. You will get independent, professional advice, allowing you to draw up a basic Will (worth no more than £100 plus VAT or £140 plus VAT for couples with mirror Wills) or update an existing one as quickly and easily as possible. And it won't cost you a penny!

We are making this offer in the hope that you can help us fund the future of cancer research. Whilst providing for your family and friends will of course take priority, we hope that after them, you will consider making a contribution towards The Institute of Cancer Research's vital work, although you are under no obligation to do so. By leaving a legacy, you will be helping fight cancer, now and in the future.

So long as you or your partner are aged 60 or over you qualify for the Will for Free offer. For further information and a list of solicitors taking part in your area, please send your name and postal address to legacy@icr.ac.uk.

Call **Kim Betts and Co** solicitors on **0208 508 5505** to arrange your Will for free.
